

Quality Meets Flexibility

When it comes to the entertainment industry, time is of the essence. With multiple teams working to keep each project on-task and under budget, flexibility is essential – and that’s where the right recruiting partner can make a real difference.

Proven Recruiting, Exceptional Results

At Volt Workforce Solutions, we understand that production relies on precision, coordination, and swift action behind the scenes. Our contingent staffing services enable you to quickly fill teams with qualified, motivated specialists, then downsize after projects wrap without the administrative burden of releasing in-house employees. From production coordinators to payroll specialists, our industry expertise and thorough screening process allow us to identify best-in-class candidates in creative, technical, and administrative disciplines, supplying the specialists you need, when you need them.

Why Volt?

Volt specializes in recruiting, deploying, and managing contingent workforces. We combine industry expertise, proven execution, and innovative thinking to deliver workforce solutions that improve our client’s efficiency and productivity. Whether you’re seeking contingent staffing, direct-hire recruiting, managed services programs, or statement of work, Volt’s global network of offices enables us to provide a qualified workforce wherever your business grows.

For strategic workforce services tailored to solve your specific business challenges, contact your local Volt representative or visit volt.com.
